TENDER FOR TV STUDIO SET

C-DIT has installed a studio set for a TV programme which needs to be customised with modification for shooting of for another TV programme. The details of the work are as follows;

1. The Studio set now erected has to be retained for future.
2. The newly proposed studio set can include elements of the current studio set but must have an entirely different feel and look.
3. The newly studio set must have elements of knowledge and children.
4. The work needs to be completed within 7 days of issue of work order.

The interested bidders may visit the site and submit their design along with their portfolio and price. The criteria for selection will be based both on their design, experience in similar assignments and price. Only the commercial offers of the bidders whose design is accepted will be considered for further evaluation. Last date for submission of tenders : 25.10.2017, 3.00 PM, Tender Opening 25.10.2017, 3.30 PM.
